Dear Ms Unger,

On behalf of the Board of Governors, I am pleased to inform you that the American Association of Tissue Banks (AATB) has approved United Tissue Resources for accreditation. The accreditation covers the Donor Eligibility Assessment, Authorization, Recovery, Collection, or Acquisition, Storage, and Distribution of Cardiac, Vascular, Musculoskeletal, and Skin; and Storage, and Distribution of Birth Tissue, and Cellular Tissue; and the Storage of Autologous Tissue for Transplantation.

The mission of the AATB is to improve and save lives by promoting the safety, quality, and availability of donated human tissue. Our Accreditation Program helps to realize this goal by checking that tissue-banking activities are being performed in an ethical and professional manner consistent with the AATB's *Standards*.

In addition to the special recognition attendant to AATB Accreditation, additional benefits include the following:

- Staff members may attend AATB meetings and workshops at reduced rates;
- Your tissue bank will receive a complimentary copy of future *AATB Standards for Tissue Banking*, when available;
- You may also purchase publications at the membership rate and;
- You may use the AATB Accredited Institution Logo (contact Beverly Bliss at blissb@aatb.org for logo and information).

Visit our web site at www.aatb.org to see how you can become involved in the various activities of the AATB.

Your accreditation will expire on 03/11/2023. It will be your responsibility to note this date and re-apply in a manner consistent with the current version of AATB's *Accreditation Policies*. You should request the accreditation application approximately 12 months prior to the expiration of your accreditation and you must submit the completed application no later than nine months prior to the accreditation expiration date.

Please accept our sincerest congratulations on your accreditation. We look forward to your participation in and support of the Association's activities. If there is ever any way in which we can assist you, I hope that you will not hesitate to contact us.

Sincerely,
